

# Shri Vaishnavi Hospital

Etah chungi kamalpur byepass road,  
infront of kamakhya city Aligarh – 202001

## ❖ OUR HIGHLIGHTS

- 20 beds with over 05 critical care beds.
- With a team of renowned doctors committed to care with compassion.
- Offers cutting edge technology and state of the art treatment facilities designed to deliver healthcare at an affordable cost.
- Shri vaishnavi Hospital is driven by patient needs comfort, trust and human touch.

## ❖ DESCRIPTION

There is no large private sector hospital anywhere in West Uttar Pradesh & it is felt that there exists a need for such a multi – specialty hospital, which would receive patients from number of adjoining districts of Aligarh. A vast majority of patient requiring tertiary care going to metropolitan cities like New Delhi and *NCR* for treatment at present. Estimates of this exodus according to market research vary between 60 – 75% at present. Shri vaishnavi Hospital aims to treat this population and cater to all sections of society.

Shri vaishnavi Hospital has been envisioned with the aim of bringing to the region the highest standards of medical care along with clinical research, education and training.

It is a private, self – financing Institution, pledged to the service of all community, catering to the health care needs of the people of number of adjoining Districts of Aligarh. The Hospital is located with salubrious, surroundings. It is just 5km from Railway Station and Bus Stand. The Hospital services are fully computerized. At present, the hospital has 25 inpatient beds with 2 state of the art operation theatres. Shri vaishnavi Hospital is dedicated to establishing excellence in healthcare through quality preventive care.

Shri vaishnavi Hospital has facilities to provide treatment for a wide range of diseases. Well shall have many departments such as ICU, Urology, Respiratory Disease, General Surgery, Pulmonary, Orthopedic, Physiotherapy, Neurology, Genera Medicine. Patients, Diabetology, Gynecology & Obstetrics, Dental. This is a hospital with a 'Heart'.

## **VISION AND MISSION**

Our vision is to transcend the realm of curative care and move in all dimensions to improve the overall health of society in general and particularly in far flung rural area where even standard medical services are still a distant possibility.

SHRI VAISHNAVI HOSPITAL feel that it being a social organization and have to contribute and facilitate the overall development of the society it is not mitigate the social sufferings of the villagers and does all the acts and thing conducive for the attainment of the above objectives in the most possible manner.

The service of pitiable and humble human being is the superlative worship of God “to follow this aim, social reformer, wealthy of education.
